Friends of PBS Wisconsin, Inc. hosts an annual Garden & Landscape Expo to bring together gardening enthusiasts and educators, designers, service providers and vendors to help them maximize their gardening efforts. This event was conceived as a way to deliver the expertise of University of Wisconsin-Madison Horticulture Division of Extension, non-profit organizations, the home gardening industry and related businesses to the community. It is also an important fundraiser for Friends of PBS Wisconsin, Inc. that generates funding for PBS Wisconsin programming and community outreach.

Friends of PBS Wisconsin, Inc. staff and volunteers, along with PBS Wisconsin staff are committed to making the Garden & Landscape Expo successful for exhibitors and attendees. Friends of PBS Wisconsin relies heavily on the Garden & Landscape Expo Committee to establish and implement event policies and practices.
