Garden
& GREEN LIVING EXPO
PBS Wisconsin

The **2027 Garden & Green Living Expo** returns to the Alliant Energy Center on February 1-14. Thousands of attendees join us, Event Guide in hand, to find exhibitors, choose which presentations to attend, and search for the latest trends in gardening, landscaping, local foods and ecological sustainability.

Prior to the event, the guide will be posted to **wigardenexpo.com** and shared electronically across PBS Wisconsin's various networks. Additionally, copies will be distributed to all attendees at the event.
